

**Sal Rosselli**

Speaker at PQC Summit on Cost and Quality:

*Confronting the Chronic Care Challenge*

Washington, D.C. • March 19, 2008

Sal Rosselli is the President of SEIU United Healthcare Workers-West (UHW), the largest and fastest growing healthcare union in the Western United States with a membership of 150,000 caregivers in hospitals, nursing homes and homecare throughout the state of California.

Rosselli's pioneering approach to industry-wide organizing and bargaining has helped UHW members achieve among the highest wages and benefits in the nation, built constructive relationships with major regional and national healthcare providers including Kaiser Permanente and Catholic Healthcare West, and established UHW as a leading voice in the movement to win quality, affordable healthcare for all.
